Dear President Hawn:

The Council on Postsecondary Education (CPE) has received Everest University – South Orlando – Online's Supplementary Application for Notification of Change in Accreditation and Licensure Status pursuant to 13 KAR 1:020 due to ACICS issuing a probation order for student achievement review to Everest University – South Orlando – Online. In accordance with KRS 164.945 - .947 and 13 KAR 1:020 Section 7(1)(e), Everest University – South Orlando – Online is hereby placed on conditional license for failure to demonstrate it consistently operates in accordance with ACICS Accreditation Criteria related to CPE's Standards for Licensure set forth in 13 KAR 1:020 Section 8.

This license is conditioned upon Everest University – South Orlando – Online:

1. Submitting a written business plan to the CPE President demonstrating how the institution intends to address these issues at the time in which it is due to ACICS.
2. Emailing Ms. Sarah Levy notification that the university has submitted its response to ACICS, which is due by July 15, 2016.
3. Providing CPE with any ACICS correspondence related to the probation order, including any further related actions.
4. Providing any other updates upon CPE request until such time as the university is no longer on probation with ACICS.

Once CPE receives assurance that Everest University – South Orlando – Online has satisfied these conditions, CPE will remove Everest University – South Orlando – Online from conditional license status. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of the Everest University – South Orlando – Online license or an extension of the conditional license upon request of the institution with supporting justification.
